**Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance:

Claims 1 - 5, the prior arts of record disclose the method for measuring electrical capacitance by forming a clean surface on at least one semiconductor sample by surface treatment. However, the prior arts of record are fail to disclose the above limitation specifically combine with placing the at least one semiconductor sample on which a clean surface was formed in an ultrahigh vacuum environment or an inert gas environments and maintaining therein; and measuring the electrical capacitance of the at least one semiconductor sample surface maintained in the ultrahigh vacuum environments or in the inert gas environment with the at least one electrically conductive probe, wherein the at least one electrically conductive probe has an insulating film formed thereon.

The art of record does not disclose the above limitations, nor would it be obvious to modify the art of record so as to include the above limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
